Kuvempu University

Kuvempu University established in 1987 is a state university recognized by UGC under 2(f) and 12(b). The university has been named after great Kannada writer Shri KUVEMPU and has achieved a distinctive academic profile and a cultural identity of its own. The university has its headquarters at Jnana Sahyadri campus at Shankaraghatta with campus sprawling over an area of 230 acres of a lush green, picturesque locale providing the right ambience for higher education. The university offers under-graduate, post-graduate, and PhD programmes in a wide range of disciplines. It has 35 post-graduate departments in the Faculties of Arts, Commerce, Education, and Science and Technology. The university has two post-graduate centers located at Kadur and Chickmagalur, and also a total of 99 affiliated colleges under its jurisdiction falling under the Shivamogga and Chickmagalur districts.

DLISc, Kuvempu University

The Department of Library and Information Science, established in December 1993, offers MLISc and PhD programs in Library and Information Science in regular mode and also BLISc and MLISc in distance mode. The course is meticulously designed to cater to the evolving needs of information society. It places significant emphasis on IT-oriented areas and practical aspects. The department alumni hold prominent positions in central/state government departments, public/private enterprises, higher education institutions, R&D organizations, and multinational companies. The department has successfully organized many seminars, conferences, workshops, and refresher courses in Library and Information Science discipline.

About the Conference

The conference aims to bring the library community together to share ideas, experiences, and to learn new things together, and gain fresh perspectives. Libraries have evolved over the years and it is due to the collective efforts of the library professionals who have always leveraged the technology for increasing productivity.
